

# Dazzle to host Cuban Fiesta night on July 11

Pull out the Cuban cigars and head for the one of the hottest jazz clubs in Denver on Thursday, July 11th. The evening promises to be the next best thing to being in old Havana!

Club owners Donald Rossa and Miles Snyder added live jazz to the five-year-old club three months ago. The result has been an influx of local and national talent to tantalize the ears and eyes of metro residents. In keeping with their commitment to providing a fun and interesting atmosphere for area locals the club will be hosting their second specialty night, "Cuban Fiesta."

"We are featuring the Latin jazz band Señor Gato that night. They are a wonderful band, they will be playing here every Thursday and they pack the house. We are also bringing in guest chef Marcos Fernandez. He grew up in Miami and will be cooking traditional Cuban dishes. The regular menu is also

available. It promises to be an evening of great music and food," said Donald Rossa with a smile.

Dazzle, which is located at 930 Lincoln St in Denver, features live music seven nights a week. "We would like to think that we are the place people automatically think of when they want an evening of great live music, good food and wonderful ambience. We are dedicated to this neighborhood and our patrons. These specialty nights are one way we want to make this a great place for a memorable evening out," said co-owner Miles Snyder.
